Sensei Keiko Fukuda Promoted to 10th dan. Last month our Hui-O newsletter featured a full page article on Sensei Fukuda. I hope that you had a chance to read it, if not, please go back and do so. She is an amazing woman. The USA Judo promotion board promoted Professor Keiko Fukuda to 10th Dan!!! This makes world Judo history because she is first woman to be awarded this honor. She is last surviving student of Dr. Kano, the founder of Judo. Her grandfather was Dr. Kano's first sensei. They would both be very happy for her hard work and accomplishments in Judo. I just wanted to share this good news with the world. When she was called to inform her of her promotion, she could not believe it because this was her dream. She is a living example that as long as you believe you can achieve anything!!

LOCK YOUR CAR – PLEASE lock your car and be certain not to leave any valuable in open sight. There have been a number of cars with items stolen from them while people are inside the center. Windows have been broken to take things out. Purses, money, Navigation systems, IPODS and other items have been taken.

National Junior Olympics – About 850 entrants converged on Irving, TX, for the tournament, the biggest event that USA Judo has sponsored this year, and the biggest Junior Olympics that USA Judo has seen in years. The huge number of entrants made for one of the most successful Junior Olympic National Championship tournaments in years, including qualifying matches Saturday for USA Judo's Junior World Team. The tournament ended with an international competition that drew competitors from throughout the United States and other countries. Saturday included brackets in all IJF weight divisions. In all of those, except the open division, male and female youths finishing first and second qualified for the 2011 Junior World Championship Team. These young people will

represent the US at the International Judo Federation's Junior World Championships in November in Cape Town, South Africa.

Club membership - It is up to each one of you to PLEASE pay your bi-monthly class fees at the front desk. We have kept the rates for the judo club very low since we started the club. However, many judoka on the mat are NOT paying the center for the class. MNCPPC has remarked about this on numerous occasions. If you are not paying your membership with MNCPPC, you will be asked to leave the facility.

Judo Clinics - Throughout the year, Hui-O hosts clinics for Shufu Yudanshakai. I encourage all of you to try to attend them. The clinics cover a variety of topics. Topics vary from coaching, refereeing, standing techniques, mat techniques, advanced competition skills, different katas, tournament operations, and a variety of other topics. The clinics are held in Beltsville at the Academic Center. They are open to all judoka, regardless of skill level or rank. The clinics are an excellent way to get instruction from different instructors, see new techniques, work with judoka from other clubs, and gain valuable experience and knowledge. Shufu has some of the oldest and best referees, who are all former great competitors, now they are our sensei's and coaches. They live judo in every sense of the word.

Hui-O travel team - We are looking at taking small teams of judoka to local tournament a few hours drive from here. Hui-O supports many of the local tournaments to help build fellowship in judo and to challenge us with different types of competition. There are tournaments in Pennsylvania, Virginia, New York, and the Carolinas. However, Sensei Mark and Sensei Kevin both work all day at the events as well as drive and help to manage the team. We would like to have a few parents or senior students volunteer to go along on the trip to help drive and to assist with team management. You can help keep stats on the tournament and take photos at the events for us. Robert Kirk was a huge help to us for our trip up to Connecticut. Having additional people along allows us to take the newer judoka to help them gain experience at small events or allow us to take more seasoned players to high level competitions. Two larger tournaments we attend that are coming up soon are the Liberty Bell in Pennsylvania in April and the AM CAN in Niagra Falls, NY in May.
