### **2011 Paris World Championships –**

Harrison Takes Bronze, Malloy Takes Fifth,

#### **A Young Team Sets Sights on Olympics**

August 31, 2011 – There were 864 competitors from 131 countries and only 16 gold medals to share. No one was playing nicely. Competition was intense, naturally, with some of the deepest brackets ever at the World

Championships. Only two countries, Japan and France, won more than one gold – Japan took five, France took

four on home turf. Japan went on to win six silvers, France did not get one. After that, the medals were very, very thinly spread. Few countries placed more than a couple athletes and the vast

majority returned home without a single podium photo. Team USA had four players finish in the top-10 of their divisions, which hasn't happened for the United States in a long time, said Jimmy Pedro, the team's head coach. And with a fairly young team, that speaks very well for the future, he said. "Our team is young," Pedro said in a video interview at the tournament – click on the YouTube

frame. "Kayla is 21. Nick (Delpopolo) is 22. Marti is the oldest at 24. So I think a future for American judo looks good." Kayla Harrison, 78kg, (Team Force, Wakefield, Mass.) defeated three opponents before losing to France's Audrey Tcheumeo by a yuko, a match that Harrison probably would have won had judges not disqualified a throw by Harrison as out of bounds. Harrison proceeded to beat Nederland's Marhinde Verkerk to take the Bronze. Pedro said, "Kayla's bronze was an incredible performance - she actually could have repeated as world champion had the event not been held in Paris. There's no way she loses that match in any other country." Read the post-match story [HERE](#). "And, I am so proud of Marti's 5th place finish," Pedro said. "She has had a terrific year, and has truly developed into a medal prospect for London."

**Hui-O travel team –** We are looking at taking small teams of judoka to local tournament a few hours drive from here. Hui-O supports many of the local tournaments to help build fellowship in judo and to challenge us with different types of competition. There are tournaments in Pennsylvania, Virginia, New York, and the Carolinas. However, Sensei Mark and Sensei Kevin both work all day at the events as well as drive and help to manage the team. We would like to have a few parents or

senior students volunteer to go along on the trip to help drive and to assist with team management. You can help keep stats on the tournament and take photos at the events for us. Robert Kirk was a huge help to us for our trip up to Connecticut. Having additional people along allows us to take the newer judoka to help them gain experience at small events or allow us to take more seasoned players to high level competitions. Two larger tournaments we attend that are coming up soon are the Liberty Bell in Pennsylvania in April and the AM CAN in Niagra Falls, NY in May.

**Fayetteville Hometown Heroes Torunament** – We are looking at taking a team to Fayetteville NC for a tournament on Sept 17. We would need parents to drive as well as participants to attend. It is about 400 miles each way, so it takes about 6 hours to drive. We leave at 3am and get there about 8am. We do not return until late in the evening. If you are interested in attending, please see Sensei Mark or Sensei Kevin

**Philadelphia Cup** - We are looking at taking a team to Philadelphia PA for a tournament on October 1. We would need parents to drive as well as participants to attend. It is about 120 each way, so it takes about 2 hours to drive. We leave at 6am and get there about 8am. We do not return until late in the evening. If you are interested in attending, please see Sensei Mark or Sensei Kevin

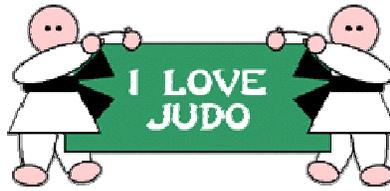

**Garden Sate Judo** – This is a **Sunday** event on October 2. We are looking at taking a group to Wayne, New Jersey for a tournament on October 2. We would need parents to drive as well as participants to attend. It is about 300 each way, so it takes about 5 hours to drive. We leave at 330am and get there about 830am. We do not return until late in the evening. If you are interested in attending, please see Sensei Mark or Sensei Kevin

**Princeton Judo** – This is a **Sunday** event! We are looking at taking a team to Princeton NJ for a tournament on Sunday October 9th. We would need parents to drive as well as participants to attend. It is about 250 each way, so it takes about 4 hours to drive. We leave at 430am and get there about 830am. We do not return until late in the evening. If you are interested in attending, please see Sensei Mark or Sensei Kevin

**Norfolk Fall Tournament** – We are looking at taking a team to Norfolk, VA for a tournament on October 30. We would need parents to drive as well as participants to attend. It is about 150 each way, so it takes about 3 hours to drive. We leave at 6am and get there about 9am. We do not return until late in the evening. If you are interested in attending, please see Sensei Mark or Sensei Kevin

**Athlete Funding for Shufu Yudanshakai Competitors** Shufu Yudanshakai has established the Athlete Funding Committee to provide funding support for Shufu Judoka who have been representing Shufu at National and International Judo events. To qualify Judoka must have competed in a National Junior or National Senior level and at an E level or better event: the Junior Olympics, International Youth Open, or other Elite events including unfunded international events. Qualifying athletes must be a member of Shufu for at least two (2) years at the time of the application (current year plus previous year) and be a member of an active Shufu club that has been registered with Shufu Yudanshakai for at least two (2) years at the time of the application (current year plus previous year). Athletes applying for funding through the Shufu Athlete Funding Committee may not be sponsored or financially supported, directly or indirectly, by any other judo organizations. You can find more information and a copy of the Shufu Yudanshakai Athlete

Funding Request Form, in Adobe Acrobat (.pdf) format, at [Shufu Yudanshakai Athlete Funding Request Form](#).

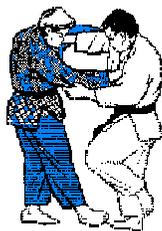

**LOCK YOUR CAR** – PLEASE lock your car and be certain not to leave any valuable in open sight. There have been a number of cars with items stolen from them while people are inside the center. Windows have been broken to take things out. Purses, money, Navigation systems, IPODS and other items have been taken.

**Club membership** - It is up to each one of you to PLEASE pay your bi-monthly class fees at the front desk. We have kept the rates for the judo club very low since we started the club. However, many judoka on the mat are NOT paying the center for the class. MNCPPC has remarked about this on numerous occasions. If you are not paying your membership with MNCPPC, you will be asked to leave the facility.

**Judo Clinics** - Throughout the year, Hui-O hosts clinics for Shufu Yudanshakai. I encourage all of you to try to attend them. The clinics cover a variety of topics. Topics vary from coaching, refereeing, standing techniques, mat techniques, advanced competition skills, different katas, tournament operations, and a variety of other topics. The clinics are held in Beltsville at the Academic Center. They are open to all judoka, regardless of skill level or rank. The clinics are an excellent way to get instruction from different instructors, see new techniques, work with judoka from other clubs, and gain valuable experience and knowledge. Shufu has some of the oldest and best referees, who are all former great competitors, now they are our sensei's and coaches. They live judo in every sense of the word.
