Earning the designation of Professional Judo Coach is a rewarding experience. During the process of becoming certified, you will gain knowledge and experience which will be valuable to you and to your athletes. USA Judo Coach Certifications signify exceptional competence and credibility and identify you as a professional instructor. You are a part of a distinguished group of coaches certified by the United States Olympic Committees NGB, USA Judo. We have taken steps to make maintaining your certification easier; you are no longer required to attend a clinic each year to keep your certification active. As a Professional Coach, you have a responsibility to continuously improve your knowledge and experience through annual continuing education as is the standard in other professions. We encourage you to challenge yourself to excel to higher levels of certification. The leadership of USA Judo has taken steps to move this organization into a more professional mode in line with the directive of the United States Olympic Committee. While change is often difficult, the Coaches Certification and Education Program has accepted the challenge given to us by our leaders and by the USOC and we will move this program forward into a more professional position.

1. All Coach Certifications are renewable on an annual basis. The 2012 membership period is January 1, 2012 – December 31, 2012. After January 1, there is a 90-day grace period for coaches to renew for insurance purposes.

2. There are 6 Levels of Coach Certifications;

Club Coach (Club Coaches will receive a State Level Certificate)

State Level (formerly E Level)

Regional Level (formerly D Level)

National Level (formerly C Level)

Continental Level (formerly B Level)

International Level (formerly A Level)

The Club Coach Level is for head instructors who conduct classes in their respective dojos and wish to obtain a USA Judo Club Certificate. ONLY Club Coaches are required to have CPR and First Aid Training. Obviously, it is recommended for all coaches, but because competition rules mandate that medical staff be on hand at events, tournament coaches are not required to be trained in First Aid/CPR. We are now allowing Senior Brown Belts to apply for State Level Coaching Certification.

As for all Coach Certifications, the rank must be certified thru USA Judo; the individual must be at least 18 years of age and pass the required background screen. All Coaches coaching at the National Level must have a minimum of National Level Certification. All Coaches coaching at the International Level must have a minimum of Continental Level Certification.

3. Fees

Certification Fees \$70.00 (includes ID), plus \$16.00 fee to SCCI for background screen

If you are unable to mail your pre-registration paperwork please register onsite at the clinic. Please be on time. All participants are asked to bring the following to this clinic.

1. USA Judo card (You may register with USA Judo onsite)

2. If you are already a certified Judo Coach, bring any copies of your Judo Coach certificates and/or your past Judo Coach ID card to the clinic.

3. Checkbook for USA Judo Coach Certification (\$70.00) and background screening fee (\$16.00) if needed. USA Judo Background screening forms will be available onsite. USA Judo does not perform the background screening, so a separate check is required for this service.

4. A complete Judo uniform.

All those wishing to be certified or upgraded as a USA Judo Coach will be required to fill a separate *USA Judo Coach Form* onsite. Please bring a passport size photo to get a USA Judo Coach ID Card. **DO NOT STAPLE PHOTO!**
