Reigisaho (Etiquette) - We all need to practice and pay closer attention to good judo etiquette. It is the foundation of the sport. It covers everything from proper posture, bowing, salutations and general movements. When you come to class you and your judo gi should be clean. You must take proper care of your judo uniform. It should be properly folded after each practice, and then hung up at home. Your judo gi should always be in order before your bow. Please remember to bow upon entering/exiting the dojo, ALWAYS use your zoris and keep them at the edge of the mat, bow on/off of the mat and to your partners, be mindful of the way that you enter your bow and exit it. When we line up, no one should be talking or playing. After we bow, no one stands up until the senseis have all stood up. Reigisaho starts with respect for oneself and the others around you. Always present yourself in the proper manner. We have traditions that must be followed. Use proper etiquette.

Hui-O travel team – We are looking at taking small teams of judoka to local tournament a few hours drive from here. Hui-O supports many of the local tournaments to help build fellowship in judo and to challenge us with different types of competition. There are tournaments in Pennsylvania, Virginia, New York, and the Carolinas. However, Sensei Mark and Sensei Kevin both work all day at the events as well as drive and help to manage the team. We would like to have a few parents or senior students volunteer to go along on the trip to help drive and to assist with team management. You can help keep stats on the tournament and take photos at the events for us. Robert Kirk was a huge help to us for our trip up to Connecticut. Having additional people along allows us to take the newer judoka to help them gain experience at small events or allow us to take more seasoned players to high level competitions. Two larger tournaments we attend that are coming up soon are the Liberty Bell in Pennsylvania in April and the AM CAN in Niagra Falls, NY in May.

Athlete Funding for Shufu Yudanshakai Competitors Shufu Yudanshakai has established the Athlete Funding Committee to provide funding support for Shufu Judoka who have been representing Shufu at National and International Judo events. To qualify Judoka must have competed in a National Junior or National Senior level and at an E level or better event: the Junior Olympics, International Youth Open, or other Elite events including unfunded international events. Qualifying athletes must be a member of Shufu for at least two (2) years at the time of the application (current year plus previous year) and be a member of an active Shufu club that has been registered with Shufu Yudanshakai for at least two (2) years at the time of the application (current

year plus previous year). Athletes applying for funding through the Shufu Athlete Funding Committee may not be sponsored or financially supported, directly or indirectly, by any other judo organizations. You can find more information and a copy of the Shufu Yudanshakai Athlete Funding Request Form, in Adobe Acrobat (.pdf) format, at [Shufu Yudanshakai Athlete Funding Request Form](#).

LOCK YOUR CAR – PLEASE lock your car and be certain not to leave any valuable in open sight. There have been a number of cars with items stolen from them while people are inside the center. Windows have been broken to take things out. Purses, money, Navigation systems, IPODS and other items have been taken.

Club membership - It is up to each one of you to PLEASE pay your bi-monthly class fees at the front desk. We have kept the rates for the judo club very low since we started the club. However, many judoka on the mat are NOT paying the center for the class. MNCPPC has remarked about this on numerous occasions. If you are not paying your membership with MNCPPC, you will be asked to leave the facility.

Judo Clinics - Throughout the year, Hui-O hosts clinics for Shufu Yudanshakai. I encourage all of you to try to attend them. The clinics cover a variety of topics. Topics vary from coaching, refereeing, standing techniques, mat techniques, advanced competition skills, different katas, tournament operations, and a variety of other topics. The clinics are held in Beltsville at the Academic Center. They are open to all judoka, regardless of skill level or rank. The clinics are an excellent way to get instruction from different instructors, see new techniques, work with judoka from other clubs, and gain valuable experience and knowledge. Shufu has some of the oldest and best referees, who are all former great competitors, now they are our sensei's and coaches. They live judo in every sense of the word.
