Fitness Assessments: Sensei Mark is a certified personal fitness trainer. He offers comprehensive fitness assessments as a free service to any adult judoka who is a student of Hui-O-Judo, and is serious about developing their physical fitness. A fitness assessment uses empirical methods to measure your anthropomorphic characteristics & body composition, flexibility, muscular strength, muscular endurance, and cardio aerobic capacities. After an initial assessment to set a baseline, periodic follow-up assessments can graphically identify changes in your fitness levels, which help to identify strengths & weaknesses of your diet & exercise programs. Each assessment takes about an hour to perform. He performs them in the privacy of his home in Bowie, & results are confidential by law so nobody sees the results but you. If you are serious about your physical fitness levels, see Sensei Mark to schedule an appointment for an assessment.

For our Sunday only event judoka – There are a few tournaments coming up on Sundays. Fliers are available at the dojo or online. If you would like to participate in any of these events, please see one of the Sensei. We are happy to travel to the events with you.

Club membership - It is up to each one of you to PLEASE pay your bi-monthly class fees at the front desk. We have kept the rates for the judo club very low since we started the club. However, many judoka on the mat are NOT paying the center for the class. MNCPPC has remarked about this on numerous occasions. If you are not paying your membership with MNCPPC, you will be asked to leave the facility.

Hui-O travel team – We are looking at taking small teams of judoka to local tournament a few hours drive from here. Hui-O supports many of the local tournaments to help build fellowship in judo and to challenge us with different types of competition. There are tournaments in Pennsylvania, New Jersey, Virginia, New York, and the Carolinas. However, Sensei Mark and Sensei Kevin both work all day at the events as well as drive and help to manage the team. We would like to have a few parents or senior students volunteer to go along on the trip to help drive and to assist with team management. You can help keep stats on the tournament and take photos at the events for us. Robert Kirk was a huge help to us for our trip up to Connecticut. Having additional people along allows us to take the newer judoka to help them gain experience at small events or allow us to take more seasoned players to high level competitions. Two larger tournaments we attend that are coming up soon are the Liberty Bell in Pennsylvania in April and the AM CAN in Niagra Falls, NY in May.
